

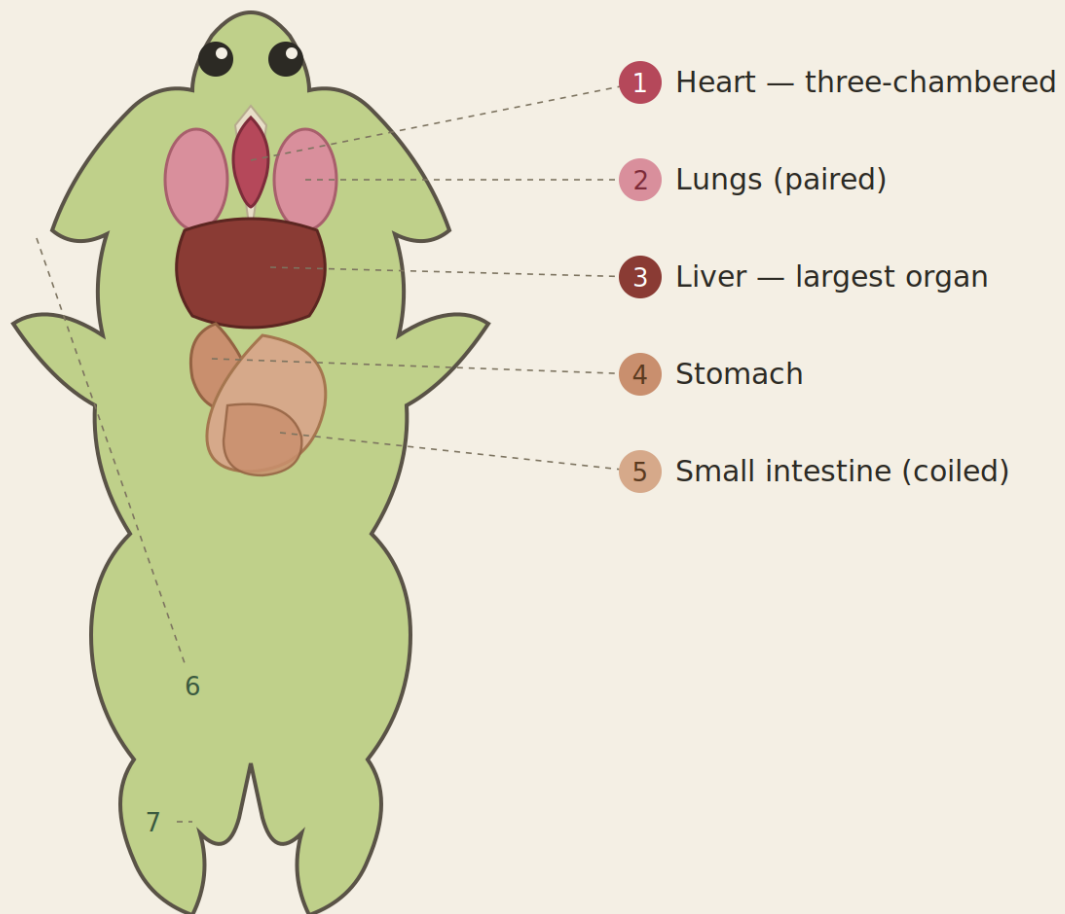

Plate 1 — Frog, ventral dissection

NSCI 110 · LAB 11

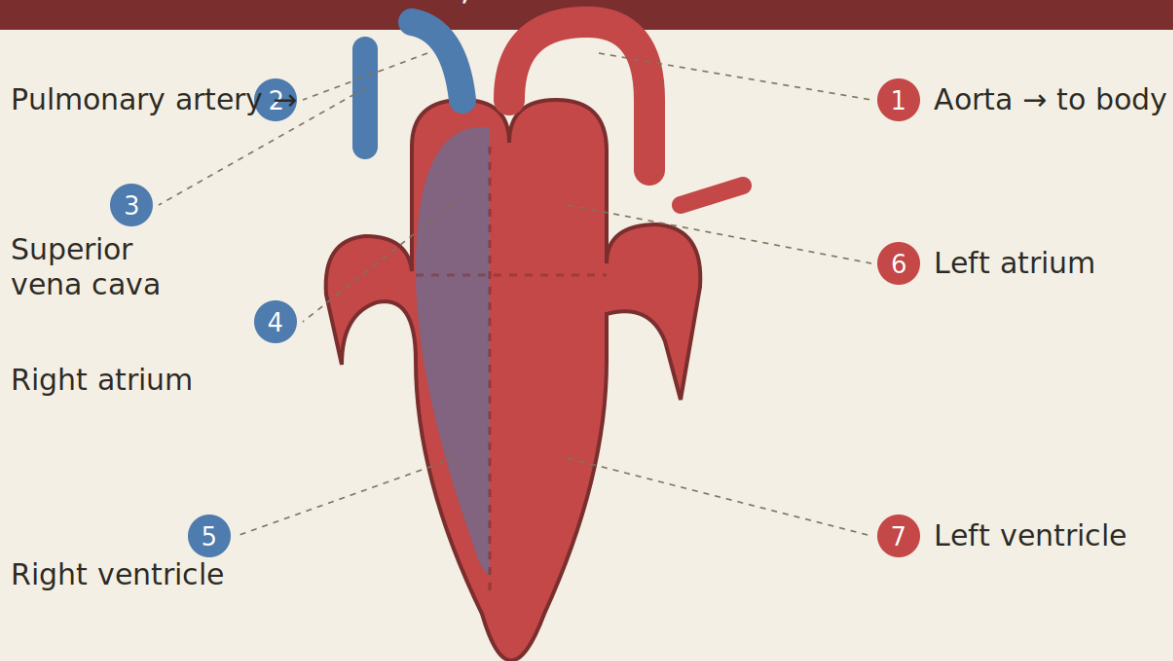

Key: 6 = forelimb (4 digits) · 7 = hindlimb, webbed foot (5 digits)

Webbed feet are built for swimming — propulsion in water.

Trace the path of food: mouth → stomach → small intestine.

Plate 2 — Human heart, anterior view

MED 110 · LAB 1

■ oxygen-poor blood (right side)

■ oxygen-rich blood (left side)

Flow: body → 3 → 4 → 5 → 2 → lungs → 6 → 7 → 1 → body.

Plate 3 — Cat, anatomical overview

MED 110 · LAB 3

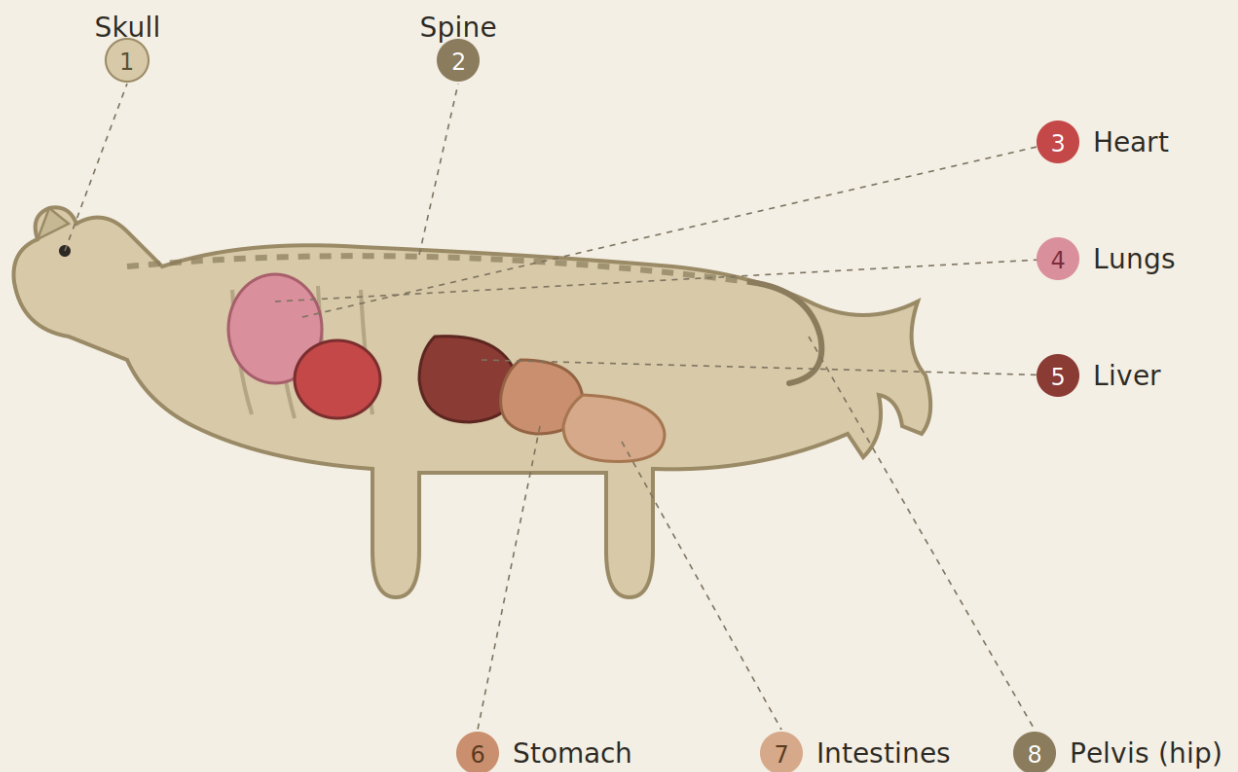

Plate 4 — Animal cell (microscope view)

NSCI 110 • LAB 9
